Hey Noah,

I think you rsvp'd for the event already, and I'm wondering if you would be willing and able to participate as a **Moderator** at the Discussion Table on "Residential and Retail" - the theme is **QUALITY OF PLACE: Does DTLA have the places, experiences and mobility that facilitate innovation?**

It's meant to be an informal conversation, no materials or preparation required - just your knowledge and opinions!

Please let me know if you are able to participate or give me a call to discuss.

Thanks.

Nick
